

Timberaul Windows & Doors

LET'S RAISE **THE BAR.**

Beautiful timber windows and doors from
Australia's original craftspeople.

Nothing compares to the natural beauty of the Timberaul collection, bringing warmth, character, and authenticity to your living spaces.

Timberaul is more than just beautiful—it's versatile and customisable. Whether you're renovating a heritage home or seeking exquisite joinery for your new build, Timberaul will complement any architectural style, making it a perfect choice for any home. Elevate your home with Timberaul from Stegbar.

- Stegbar are renowned for quality and craftsmanship, making windows and doors for nearly 80 years
- Choose from two timber species - Western Red Cedar or Meranti
- Match existing timber windows and doors
- U-values as low as 1.5
- Bushfire compliant
- Sourced from sustainable plantations
- Meets standards, rigorously tested and Australian made
- Backed by a 10 year industry leading warranty

Specs & Options

INSTALLATION

We can help take the complexity out of building and renovating with our team of expert installers, guiding you from inspiration to installation.

WARRANTY

Enjoy peace of mind with our industry-leading 10-year warranty on non-moving parts, 3-year warranty on moving parts, and 3-year warranty on glass.

GLASS OPTIONS

Choose from a range of acoustic, safety, energy-efficient, and privacy glass options with expert guidance from the Stegbar team to select the best performance for your needs.

HARDWARE

All hardware is key lockable, with windows keyed alike for convenience. A range of colours and options available.

FINISHES

Finishing options include:

- Raw - Timber is supplied unfinished as standard
- Classic Coating - A water-based clear coating is applied to protect raw timber during installation
- Pre-Primed - Windows and doors come with a base coat of white pre-primer ready for painting

COMPATIBLE WITH BUILDING TYPES

Fully compatible for render, brick and block work, pre cast panels and light weight construction materials.

GLAZING BAR

Choose from a variety of glazing bar configurations, or create your own.

DISABILITY

Accessibility and easy access sills available.

SCREENING

We offer a variety of insect, security and bushfire screening options, including retractable screens for sliding, stacking, and bi-fold doors, as well as some windows.

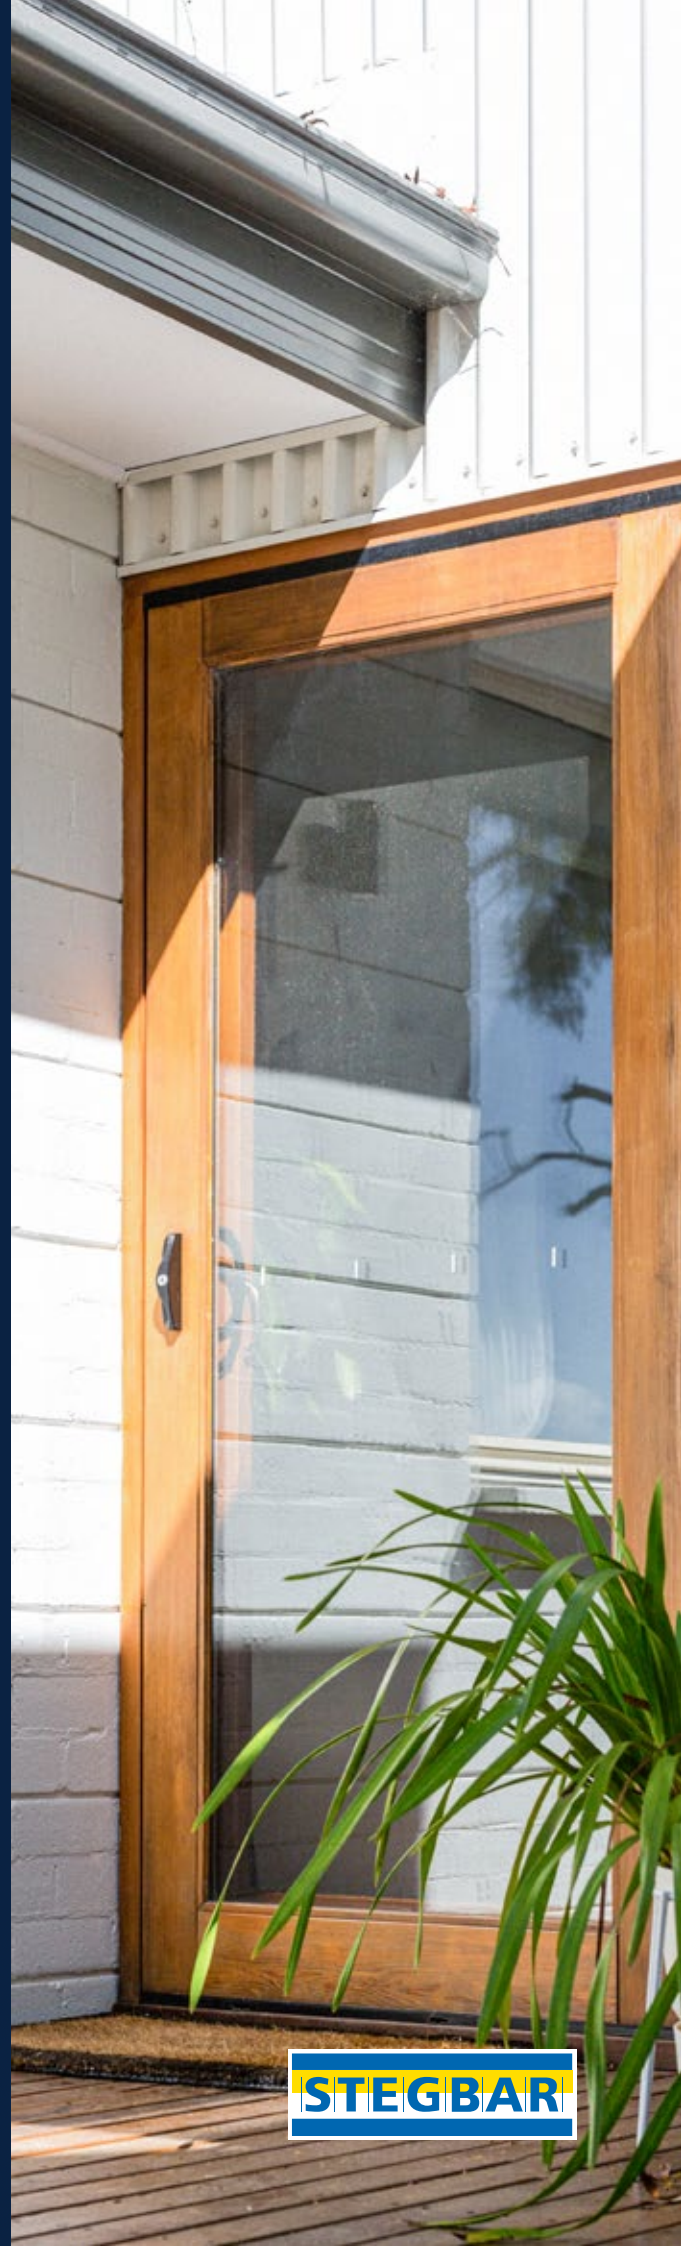

COMPLIANCE

Engineered for quality, fully cycle tested, and compliant with all Australian Standards.

BUSHFIRE

Certified to meet up to BAL 40.
